

FINAL BULLETIN

Brian P. Nutting, Director

Jacob A. Greenwood, Associate Director

Philosophy and Objectives

The purpose of band camp is to provide a concentrated learning environment for the improvement of all marching members. Over the course of the week, it is our goal to develop a team or family atmosphere that encourages all members to maximize their potential in areas of music and marching. To this end, no member will be deprived of food or sleep. Students will always be supervised and never subject to ridicule, threat, corporal punishment, excessive physical exercise, or excessive restraint.

Contacting Your Child by Phone

Should there be an emergency wherein a student must be contacted, the camp phone number is 517-522-6800. The emergency cell phone number for THS Band Camp Coordinator, Garrett Jafano is 248-880-8152.

Weekly Rehearsal Procedures

The TCMB rehearses after school on **Mondays from 2:30-5pm** (see exceptions in Marching Band Rehearsal Contract). Students are to promptly secure instruments and move directly to the stadium as rehearsal will begin *by* 2:30pm. Attendance will be taken (including tardies) and grading policies enforced. Tardies result in the loss of third quarter privileges. *It is essential and expected that students wear proper footwear and clothing for these rehearsals (no sandals, dresses, etc.).* Students should bring water bottles/thermoses as water will not be distributed by parent volunteers.

Football Game Procedures

Marching band members must report for games **by 4pm** (unless otherwise directed). Students must be punctual so that practice may *begin* at 4pm. All attendance policies apply. *Students must wear regulation shorts, marching shoes, and compression shirt for this rehearsal.*

After the field rehearsal, students return to the building for a brief time during which they change into full uniform (with hair completely off the collar and inside the hat), rehydrate, and move to the courtyard for final instructions/uniform inspection/parade line-up.

During the game, all members sit in sections by instrument. Immediately after halftime, during the third quarter, the band boosters provide water for the band members. Students are excused to purchase refreshments (optional). This is the only portion of the game during which students are excused for this purpose. They are to return to their respective places in the stands by the end of the third quarter to resume pep band responsibilities. *Non-band member friends are not to be seated with the band.* The band remains in the stands and in full uniform for the duration of the game.

Uniform components should be removed/unzipped only as directed by the drum majors. Immediately following the game, the band parades back to the building for dismissal.

Following performances, all uniform components are to be returned to the uniform cabinets. Marching uniforms do not leave school and all components must be checked in with appointed leaders before departing. Students will be charged for soiled, damaged, or missing items.
