## **TCMB Band Camp 2020 Saturday-Friday, August 1-7**

Brian P. Nutting, Director  
Jacob A. Greenwood, Associate Director

### **Philosophy and Objectives**

The purpose of band camp is to provide a concentrated learning environment for the improvement of all marching members. Over the course of the week it is our goal to develop a team or family atmosphere that encourages all members to realize their potential in areas of music and marching. They will not be alone without staff supervision, observation, and interaction, and will not be subjected to ridicule, threat, corporal punishment, excessive physical exercise or excessive restraint.

### **Contacting Your Child by Phone**

The emergency cell phone number for the THS Band Camp Coordinator is as follows: Michael Wright @ (248)229-5992.

### **Leadership Responsibilities**

All student leaders should plan to be at Troy High School by 1pm on Friday, July 31st - please eat lunch before you arrive. It is also the responsibility of student leaders to remind members of their section members to bring needed materials for the week. These include:

1. Reeds, valve oil, etc. for the entire week
2. Copies of all music distributed (memorized, used for reference only)
3. Pencils, clipboard, highlighter

## Weekly Rehearsal Procedures

The TCMB rehearses after school on **Mondays from 2:15-5pm** (see exceptions in Marching Band Rehearsal Contract). Students are to promptly secure instruments and move directly to the stadium as rehearsal will begin *by* 2:30pm. Attendance will be taken (including tardies) and grading policies enforced. *It is essential and expected that students wear proper footwear and clothing for these rehearsals (no sandals, dresses, etc.).* Students should bring water bottles/thermoses as water will not be distributed by parent volunteers.

## Football Game Procedures

Marching band members must report for games **by 4pm** (unless otherwise directed). Students must be punctual so that practice may *begin* at 4:30pm. All attendance policies apply. Students must wear the regulation marching shoes, compression shirt, and shorts for this rehearsal. The jacket and hat should be clearly marked with the student's name and left at a to be announced assigned area.

After the field rehearsal, students return to the building for a brief time. During this time, students dress in full uniform (with hair completely off the collar and inside the hat), rehydrate, and move to the courtyard for final instructions, uniform inspection and parade line-up.

During the game, all members sit in sections by instrument. *Non-band member friends are not to be seated with the band.* The band remains in the stands and in full uniform for the duration of the game.

Uniform components should be removed/unzipped only as directed by the drum majors. Immediately following the game, the band parades back to the building for dismissal.

Following performances, all uniform components are to be taken home to properly hand and dry out. Students will be charged for soiled, damaged or missing items.
